

Warring Over Your Godly Prophecy Prayer

I Timothy 1:18

Satan, I command you and your entire kingdom, in the Name of Jesus that you cannot and will not hinder any Godly prophecy that have been spoken over me or my family from coming to pass. Heavenly Father, I ask you to dispatch mighty warring angels (and I dispatch them with my mouth) to go in my behalf to make sure that every Godly prophecy comes to pass.

Return Seven Fold Prayer

Proverbs 6:31

I command you satan and your entire kingdom to return to me everything that you have stolen and seven times over. That includes: my time, love, money, spiritual growth and health.

I dispatch (and Heavenly Father, I ask You to dispatch) mighty warring angels to make sure everything is returned immediately. I speak favor and prosperity into our lives.

Health Prayer

Heavenly Father, I ask You to remold, remake, renew, regenerate, restore, everything that makes up our being – our minds, bodies, souls, spirits, emotions and wills. I speak supernatural perfect health into our lives. I ask you to cause us to use 100% of our brain capacity. I bind you satan, your power, your authority and your kingdom, that you cannot and will not hinder this from happening. Satan, if you or anyone in your kingdom has attached itself to any of our body parts in any way shape or form – I curse you at your roots, I cancel your assignment in our lives, and I command you to leave us now in Jesus Name. I dispatch might warring angels (and Heavenly Father I ask You to dispatch them to make sure this happens.)
